

IN THE SPECIFICATION

Page 1

Line 19, change "liquid crystal" to --a liquid crystal layer--

Line 29, after "matrix" insert --format--

Line 30, after "capacity" insert --electrode--

Line 31, delete "the"

Page 2

Line 5, after "capacity" insert --electrode--

Line 9, change "other, the" to --other. The--

Line 10, change "serving" to --serves--

Line 11, after "layer" insert --serves--

Line 18, change "high, causing" to --high. This causes--

Line 32, after "increase" insert --the chance of--

Page 3

Line 4, after "110" insert --,--

Line 6, change "109, and" to --109. It would--

Line 12, after "Cs" insert --,--

Line 20, change "this invention, which" to --the present invention,--

Line 22, change ", comprises" to --. It is directed toward--

Line 23, change "comprising" to --including--

Line 26, change ", said" to --. The-- and change "being" to --are--

Line 27, change "said" to --the-- in two occurrences

Line 28, change "being" to --are--

Line 30, change "that" to --which-- and change "other and being" to --other, are--

Line 31, change "said" to --the-- and change "electrodes and having" to --electrodes, and have--

Line 32, change "said" to --the-- and change "electrodes," to --electrodes.--

Page 4 /

Line 1, change "wherein" to --Further,-- and change "said" to --the--

Line 2, change "said" to --the--

Line 4, change "capacitor, said" to --capacitor. The-- and change "being" to --are-- and change "tantalum," to --tantalum.7-

Line 5, change "and a" to --A--

Line 7, change "each of said" to --each of the-- in both occurrences

Line 12, change "said" to --the--

Line 21, change "said" to --the--

Line 27, change "possible the objections of" to --the following objections possible:

Page 5

Line 8, change "said" to --the--

Page 6

Line 12, change "comprises" to --includes--

Line 24, change "follows:" to --follows.--

Line 28, change "3, which" to --3. These--

Page 7

Line 14, change "said" to --the--

Line 18, after "like" insert --,--

Line 19, after "point" insert --,--

Line 29, after "4 and 5," insert --thereby--

Page 8

Line 5, after "deposition," insert --thereby--

Line 9, after "electrode" insert --,--

Line 10, after "electrode" insert --,--

Line 11, before "TFT" insert --the--

Line 12, change "said" to --the--

Line 16, after "30" insert --,-- and after "extends" insert

--,--

Line 17, after "3" insert --,--

Line 31, after "level" insert --as--

Line 32, delete "said"

Page 9

Line 12, change "lines so" to --lines. This is so--

Line 19, change ", and" to --. Thus,--

Line 6, change "capacitor" to --capacitors--
